About Us:

We, TOP SOIL FRUITS INDIA PVT. LTD. is a prominent grower and Exporter of a wide variety of fresh grapes.

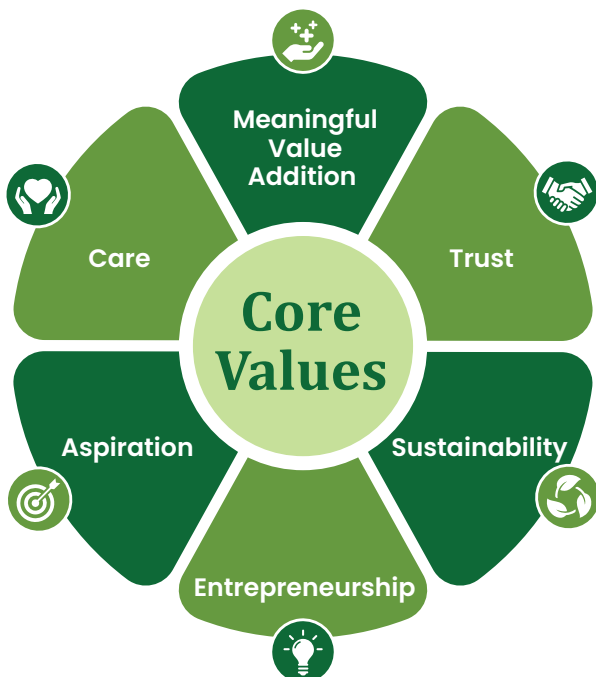

For more than 5 decades, we have been providing the best quality grapes to our clients in order to fulfil their requirements for fresh and hygienic grapes.

Vision:

We intend to be the reliable supplier of choice for customers worldwide. To set up a benchmark for the quality of grapes that are exported from India.

Mission:

Our mission is to provide world-class grapes for people today and generations.

Why Us:

As we are farmers too, We have more than 300 acres of grape farm and a group of grape farmers with more than 1000 acres who are experts in the field.

Our family has been farming grapes for the past 3 generations.

We have a cold storage and Pre-cooling facility within the grape farm, so we can place grapes for cooling within two hours of harvest.

Our third generation has a good education from the reputed university of Pune and is more knowledgeable about the global market.

Since we are a producer and exporter, we are able to offer competitive rates to our clients(buyers).

Our prompt performance, quality control, and logistics management services have met their requirements, and we ensure reliable relationships.
